Fangting Chen (Jenny)

Cross-border E-commerce Operations · Order Management · Remote Support

Auckland, New Zealand · +64 27 543 8868 · cenniferchen@gmail.com · jennyc.pages.dev

PROFESSIONAL PROFILE

Cross-border e-commerce logistics professional with nearly six years of experience in shipment tracking, 3PL fulfilment and order operations. Experienced in written English-language customer support for international users, carrier liaison, delivery exceptions and weekly Excel reporting. Seeking globally remote opportunities in logistics support, order management and customer operations while based in New Zealand.

CORE CAPABILITIES

Order & shipment operations

Cross-border e-commerce, 3PL order flow, tracking, delivery exception follow-up, collection coordination

Systems & reporting

WMS, OMS, ERP, Excel sorting/filtering, VLOOKUP, data validation and weekly reports

Customer & carrier liaison

Customer enquiries, warehouse and courier coordination, onboarding, issue escalation

Warehouse & inventory

Stock counting, SKU labelling, put-away, picking and packing exposure

PROFESSIONAL EXPERIENCE

Customer Service & Operations Representative

Oct 2021 – Apr 2026

Shopline Logistics

- Coordinated cross-border e-commerce orders and shipment follow-up with customers, warehouses, carriers and internal operations teams.
- Prepared weekly shipment and exception reports using Excel, checking order details, tracking statuses and discrepancies.
- Investigated missing, misplaced and mislabelled parcels, gathered supporting information and followed escalations with relevant teams.
- Arranged third-party vehicle collections, confirmed pickup instructions and coordinated shipment handovers.

English Customer Support Specialist

Mar 2021 – Oct 2021

17TRACK

- Responded in English to international customer enquiries about parcel tracking and delivery status, reviewing carrier updates and escalating issues.
- Supported carrier onboarding and tracking-service integration, checking data accuracy and coordinating follow-up.

Logistics Customer Service Specialist

May 2020 – Mar 2021

NextSmartShip

- Supported 3PL client onboarding and day-to-day fulfilment enquiries, explaining order and shipping processes.
- Worked with warehouse and third-party courier teams to track dispatches, resolve exceptions and confirm proof of delivery.
- Assisted with stock counts, SKU labelling, put-away, picking and packing during peak periods.
